Please remember that your insurance is a contract between you and your insurance company. It is extremely important to know what your policy will and will not cover. You will be financially responsible for all non-covered and denied charges in addition to the normal percentage and/or co-pay. We will make every effort to assist our patients with their insurance but we ask that you contact your insurance company prior to your visit and verify coverage. Below is a list of questions to ask your insurance company.
